

SAINT JOHN PORT AUTHORITY

NOTICE N-4-SJ

ELECTRICITY SERVICE CHARGES

TARIFF NOTICE

APPLICABLE AT THE HARBOUR OF THE

SAINT JOHN PORT AUTHORITY

This By-Law is issued pursuant to Section 49(1),
Part 1 of the Canada Marine Act, Bill C-9.

EFFECTIVE: FEBRUARY 1, 2008

Canada

**NOTICE RESPECTING THE TARIFF OF ELECTRICITY SERVICE CHARGES
FOR THE SAINT JOHN PORT AUTHORITY FACILITIES AT
SAINT JOHN, N. B.**

Short Title

1. This Notice may be cited as the Saint John Electricity Service Tariff Notice.

Interpretation

2. In this Notice,
- "Authority" means the Saint John Port Authority.
 - "electricity service" means electricity service provided by the Authority at the Harbour of Saint John.

Charges

3. (1) The charges set out in the schedule shall be made for the electricity services specified therein.
- (2) The charges set out in the schedule shall be paid to the Authority at its office in Saint John by the person requesting the electricity service and are due upon performance of the service.
- (3) Charges for installations and any other services not set out in the schedule shall be arranged between the Authority and the person requesting the service.
- (4) The charges set out in the schedule are in addition to any other charges prescribed in any other Notice or that may be owing to the Authority.
- (5) Charges shall be paid within thirty days from the date due and, where the charges are not paid within that time, an additional charge of 1 1/2 per cent of the charges payable shall be paid for each subsequent thirty-day period or portion thereof.

Conditions of Service

4. (1) Every person receiving electricity service from the Authority shall reimburse the Authority for all damage to property under the administration, management and control of the Authority arising directly from any electrical equipment owned or used by that person.
- (2) The Authority may require electrical equipment owned or used by a person receiving electrical service from the Authority to conform to the requirements set by the Authority and may inspect and test such equipment.

Interruption of Service

5. The Authority is not responsible for the non-performance of, interruption of or delay in, any electricity service provided by the Authority, or for any deficiency in the amount of electrical power supplied.

Discontinuance of Service

6. Every person receiving electricity service from the Authority who wishes the service to be discontinued shall:
 - (a) notify the Authority at its office in Saint John of the date and time when service is to be discontinued;
 - (b) be responsible for all charges incurred up to the time when service is discontinued.
